

# Wilkinson Middle School

MADISON DISTRICT PUBLIC SCHOOLS

*Serving Families One Student at a Time*

2/12/14

Dear Wilkinson Parent/Guardian,

Our Annual Snow Tubing trip is **this Friday (2/14/2020)**.

Here's what you need to know:

Our destination is SnowSnake Mountain, in Harrison, Michigan. That's off 127, north of Mt. Pleasant. You can link to more information about the resort here: <https://snowsnake.net/>

**Check-in for students is 6:30 am, at Wilkinson Middle School.** That will give us time to get students ready and feed them breakfast. **Our bus will leave at 7:15 am.**

Please know, there will not be any early busses, from anywhere, picking students up to get them to school early. **It will be the responsibility of students and their families to bring their students to school by 6:30.** I will be here by 6:15 to make sure the building is open.

We expect to get to the mountain by 9:45 to start tubing. We have arranged for a pizza and nacho lunch, along with hot chocolate and s'mores. We will have plenty of food already paid for. Students will be on their own if they want anything else.

We will depart at 1 pm. This will allow students to make their regularly scheduled buses depart from WMS.

The weather will be cold -- very cold. So students must dress for warmth and to keep dry. **If students are not prepared, we will not allow them to participate and will give them a refund.** This is for their own safety.

**Student must have the following:**

- Snow pants
- Winter jacket
- Gloves
- Boots
- Winter hat (not baseball cap)

We have collected signed permission slips and only students with signed permission slips may attend. One final note -- cell phones. I'm expecting students to make good choices and they are responsible for their safe keeping.

If you have any questions, please call or stop by the main office.

Thank you,

Ben Harwood  
Principal
