WMS Survey Data

Family choices ->

36% In person

(approx 80-85)

64% virtual

First planned week back: February 8

February 8: 6th only

February 9: 7th only

Feb 10: Asynchronous
(none report to school)

February 11: 8th only

February 12: All grades
(online when not
in-person)

Weekly schedule

Monday - in-person
Tuesday - in-person

Wednesday - A-sync

Thursday - In-person
Friday - In-person

8:30 am start (1st period)

2:15 pm dismissal

6 period day (52 minutes per period)

Lunch: 30 minutes (cafeteria)

Staggered bells to avoid hallway congestion

Safety overview

All people -- including students -- must wear masks that cover both mouth and nose. Only during lunch may they be removed.

Permanent seating charts
(classroom, lunch and bus)

Bathroom limits (group numbers)

Social distancing

No early entry or late departure.
Building opens at 8:20, closes at 2:25

No guests permitted in building

Illness prevention

As of tonight, no WMS teacher has received vaccine. All would like to. Many are attempting to schedule them as soon as possible.

There is NO discussion on mandating vaccines for students, as they have not been tested on children, nor approved yet.

More than 20 hand sanitizer stations.

Desks will be cleaned in between every class.

DEEP CLEAN on Wednesdays

Plenty of signage

Nurse on campus

Entry / Exit protocols

Dedicated entrance / exits for each grade. Thermometers at each point

6th: Greig / East Door

7th: Cafeteria doors

8th: Office main door

Will be modeled first week

Staggered dismissals

Floor decals

What will it look like?

We are excited to begin our first steps back, but unfortunately are not yet ready for “Normal”

Not “social”

Very similar to current online approach

Distanced / masked / individual

Tutoring online only (2:30 to 3:15)

Meals

Assigned seating in cafeteria

Plexiglass barriers in tables

Limits per table

Warm weather = outside

Pre-packaged meals

No snack bar

40 students in cafeteria per lunch

Ventilation

Hallway procedures

Signage and floor decals

Limited hall passes

Adult hallway support

Staggered dismissal

Daily cleaning

Sanitizer stations

Masks must be worn

Illness mitigation

Nurse on campus

No guests in building

All in-person families must agree to comply to conditions in [WMS Health and Safety guidelines](#)

Health mitigation room

Failure to follow guidelines will result in immediate transfer to remote-learning

COVID is real. It is not exaggerated. There will not be a debate.
